

Your Journey to Leonardo Royal Hotel Amsterdam

Ongoing metro maintenance

Overamstel metro station in front of our hotel is currently closed for track maintenance until 16 August. While these works may alter usual routes, worry not, we've prepared clear directions to reach the hotel and Amsterdam city center.

Bus

Shuttle bus 78 departs from Joan Muyskensweg, about a 7-minute walk from the hotel, and connects to Spaklerweg metro station and Amstel train station. From Amstel, you can continue your journey by metro, train, bus, or tram.

You can check the map below on how to reach the temporary bus stop from the hotel.

For up-to-date route information, alternative travel options, and tickets, you can visit the official GVB website or [9292.nl](https://www.9292.nl).

Walk

Spaklerweg, the nearest metro station, is approximately a 15-minute walk from the hotel.
